

“Be Vulnerable to Grace”

2009 Family Camp

June 26-30 at Lake Doniphan

Central Missouri USA Mission Center

Community of Christ

We proclaim Jesus Christ and promote communities of joy, hope, love and peace

We are already preparing for the 2009 Family Camp and hope you are too!

Did you know that we held our first reunion in 1917 (the summer after our stake/mission center was organized)? The committee used the following criteria to select the site: location, lights, water, pasture, free straw, free transfer of baggage, and a good hustling local community. The Saints camped in Holden for 10 days in August, and the conference minutes record the reunion had a “splendid showing” and that \$74.21 remained in the treasury after the bills were paid.

Our criteria for selecting a camp location has changed over the years, but what has remained the same for more than 90 years is that people in this place have made it a priority to spend intentional time with God. Family Camp is part of our heritage, and it is part of the fiber of who we are. Our family camp experiences have shaped us individually...and collectively.

This year we are pleased that Church President Steve Veazey and his wife, Cathi Cackler-Veazey, will be our guest ministers. We look forward to welcoming them into our fellowship and are anxious to share our camp with them. The success of our camp rests with each of us...our daily prayers for the next several weeks will have a tremendous impact on our time together.

We encourage you to make Family Camp part of your 2009 summer plan. If you’ve never been to Family Camp, please join us for fellowship, fun, and communion with God. Our days together have been a blessing for so many of us.....we believe you will be blessed too.

2009 Family Camp

June 26-30 at Lake Doniphan

(6 pm Friday to 11 am Tuesday)

Family Camp registration begins Monday, February 2, 2009. Please register by June 10th so that we can adequately plan for food, teachers, and materials. Our charges to use the camp facilities have gone up significantly this year and our interest income has dropped. Since registrations fees cover only a portion of the actual cost, we must depend on generous family camp offerings in order to meet our expenses. We trust you to plan accordingly.
